

March 20, 2020

Dear Parents,

Based on Governor Newsom's latest address and executive order, we will temporarily close services today 3/20/2020 until further notice. We will keep you posted week to week. We are hopeful we can reopen on May 1, 2020. Be safe. Hug your children and let your loved ones know how much you love them. :)

If your children are here we will be here until you pick up. No need to rush.

Your spaces will be held with no tuition due for April. All our teachers plan to come back to work as our families start returning.

Thank you for your kindness and support through all of this. Together as a family, a community, a city, a state, a nation, the world, we will get through this.

Stay Safe,

Jennifer Rice
